Co. Wicklow, Ireland

EXPERIENCE

Chef de Partie

The Harbour Kitchen

June 2024 – August 2026

Greystones, Co. Wicklow

- Managing multiple sections at once (Starters, Desserts).
- Working under pressure during service. Managing responsibilities such as ingredient orders, food preparation, and time management.
- Honing a wide range of skills and learning quickly on the job.
- Working well in a small team, and working with (and learning from) a wide range of coworkers.
- Teaching skills such as food preparation, recipes, and how to work during service to new employees.
- Keyholder, responsibility for opening the kitchen.

Additional Experience

- Commis Chef/ Kitchen Porter, The Wicklow Arms (July 2023 - Jan 2024)
- Garden Maintenance, Freelance (Jan 2023 - Jun 2023)
- Store Assistant, Dunnes Stores (Nov 2022 - Jan 2023)
- Store Assistant, Supervalu (Aug 2021 - Jul 2022)
- Continuously employed since age 16 alongside full time education

PROJECTS

Quax - Board Game Implementation

UCD - Computer Science

- Implemented a fully functional board game in Java, with back-end game logic and error handling, as well as a full GUI.
- Worked with two of my peers in a Scrum team, worked on this project for a full semester over 4 sprints. The last 2 sprints involved the implementation of an intelligent bot strategy that beats human players approximately 80% of the time.

Algorithms - Research Paper Analysis

UCD - Computer Science

- Implemented a sorting algorithm from a published academic paper in Java, identifying a critical indexing bug absent from the paper's own testing.
- Built a benchmarking framework with JVM warm-up handling and 100-trial averaging.
- Corrected the proposed algorithm implementation, and when corrected it outperformed Java's QuickSort by $3.6\times$ at 100,000 elements.

STRENGTHS

Hard-working Calm under Pressure
Analytical Thinker Works well in a team
Fast Learner Detail-Oriented

Java C SQL Assembly OOP
Data Structures Algorithms
Git Python UNIX

LANGUAGES

English (Native)
Irish (Fluent)
French (Learning)

EDUCATION

BSc Computer Science

University College Dublin

Sept 2024 – Present

Current GPA: 3.7/4.2

Leaving Certificate

Temple Carrig School

Sept 2022 – June 2024

- Irish - H1 (90-100)
- Maths - H1
- English - H2 (80-89)
- Computer Science - H1
- Politics and Society - H1
- Physics - H2
- Design and Comms. Graphics - H3 (70-79)

REFEREES
